ALCOSAN
www.alcosan.org
Erica LaMar-Motley: erica.lamar@alcosan.org
The ALCOSAN Scholastic Outreach Department provides programs and activities for students, teachers and communities within ALCOSAN’s service area. Aligned to Pennsylvania’s Core Standards, and expanded upon traditional classroom learning, the activities provide a hands-on approach to learning about the environment that teaches students to be responsible stewards of water and other natural resources.

Allegheny Land Trust
www.AlleghenyLandTrust.org
Jessica Kester: JKester@AlleghenyLandTrust.org
Already a leader in land conservation in Southwestern Pennsylvania Allegheny Land Trust (ALT) is expanding on our mission of land and water conservation by adding a new education department that strives to provide innovative, current and environmentally conscious programming. In order to do so we’re focusing on four areas that will make ALT programming stand out above the rest.

APOST
www.afterschoolgh.org
Allegheny Partners for Out-of-School Time (APOST) is a partnership of funders, intermediaries and providers dedicated to building a quality Out-of-School Time (OST) System that will contribute to the healthy successful development of young people as they progress through their school years, graduate from high school and enter into adulthood. We offer opportunities for youth-service providers to move toward providing quality programs by offering a program self-assessment, professional development for their team and partnering with other organizations to increase opportunities.

Our mission is to use radio and audio to encourage, amplify, share and archive the ideas, stories, and feelings of children, youth and families.
State YMCA of Pennsylvania, Inc.
ymcapa.org
Greg Rudder: greg@ymcapa.org
Pennsylvania’s Youth and Government program began in 1946 when Lieutenant Governor, Daniel B. Strickler, determined that our youth needed to better understand how their state government worked. Meeting with the YMCA and civic-minded citizens the program was founded. In his own words, “I put this program together in order to help the youth of Pennsylvania to understand the nature, merits, and workings of its own government.” The mission of Pennsylvania’s Youth and Government is to increase knowledge of democratic processes, leadership ability and civic engagement of Pennsylvanians, through experiential programs that stress ethics, servant leadership, and active citizenship. The purpose of the program is to instill self-confidence, leadership skills and the values of the YMCA in teens by bringing the workings of state government alive. It creates a hands-on opportunity for students to discuss current state issues with state administrators, elected officials, and students from schools and YMCA’s throughout the state.

Swim & Water Polo at CLOH.org with B.G.C.
http://CLOH.org
Mark Rauterkus: Mark@Rauterkus.com
