

Address Myself

1. Examine My Biases (prejudice for or against a particular group compared with another - typically considered unfair)
 - a. Where do they come from?
 - b. Why do I believe them?

2. Identify My Privileges (advantages)
 - a. What unearned privileges have been awarded to me?
 - b. How do I acknowledge my privileges without bringing it up all the time?

3. How do my biases and privileges impact my ability to work with my participants?

4. Why do I work with this population?
 - a. What made me decide to work with this population of participants?

5. Am I afraid of any of my participants?

6. Do I really believe all of my participants can achieve and thrive?
